## Core Competency Assignment Instructions

Richmond Secondary School students must submit three Core Competency Assignments throughout the school year. Here are instructions on how to find and hand in your assignments.

To log in to Spaces EDU, go to spacesedu.com and click on Login. To see a video of these directions, go to :	
You will be prompted to select a region. Please make sure you select Canada.	Invest Image: Ima
Your school district credentials will log you in to SpacesEDU. Your school district credentials are the same as your Teams login. If you are using a laptop or desktop, you must have pop up blockers turned off as you will need this window to appear to log in via Richmond School District. If you are using your phone, download the SpacesEDU app and log in that way.	Signal       Image: Signal and Signal
Once you log in, you will select your grad class year to find your Core Competency assignment.	TAX to provide the theory based theory to bas
