1. Do you want to see heartfelt moments live on stage? Well, RSVP Theatre Company's production of *Almost, Maine* is happening this week, on Thursday April 9 and Friday April 10 at 6pm. You do NOT want to miss out! Tickets are just \$5 for students and can be purchased at lunch or at the door on the night of the show. Come watch a play filled with love, loss, and humour. We can't wait to see you there!
 2. Hey Colts, looking for something fun to do after school with your friends? The RHS Gardening Club will be hosting a weather-permitting workshop in collaboration with the Richmond food security society "Urban Bounty" today after school from 3-4pm in the school garden. All tools and equipment will be provided, and service hours will be awarded to all those who attend. We hope to see you there!
 3. A reminder to the swim team that we are taking a team photo at lunch in Ms. Yasui's room 102.
 4. An important reminder to all students to please refrain from feeding wildlife on our school property. We have a couple of Canada geese that are roaming our school grounds. Please do not feed the Canada geese.
