

# RHS Grad 2027 Boat Cruise

The Grad 2027 Boat Cruise is on **Tuesday, September 29, 2026**. Our vessel is the **M.V. QUEEN OF DIAMONDS** and it departs AT 6:15 p.m. from the Pacific Boulevard Marina in Vancouver's False Creek. This is just off of the Cambie Street Bridge heading into downtown Vancouver. There are pay parking lots nearby, but it does cost money, so come prepared to pay with a credit card.

**Students are responsible for their own transportation to and from the Boat Cruise.**

The boat will begin **boarding at 5:45pm** and **departs at 6:15pm sharp**. If you are late, the boat will leave without you. Due to the unpredictability of traffic from Richmond to downtown Vancouver, leave yourself an hour to travel at a minimum. We will return at **9:15pm** – if you are getting picked up, **arrange your ride to be there at 9:15pm**.

Please remember that **all school rules apply** and school administration, staff and professional security staff will be cruising with us. All passengers are subject to a search by the security staff before boarding the vessel. Any violation of the school rules regarding alcohol or substance use will result in parents being contacted, exclusion from the cruise, and remaining grad events this year. We all hope that this will be a memorable and classy Grad 2027 event! Thank you very much for ensuring that *everyone* has a good time!

***Bring your RSS ID Card!***

***PLEASE ARRANGE FOR PICK-UP at 9:15pm SHARP!***

## **General Directions**

There are different ways to travel to the marina located at 750 Pacific Boulevard.

Allow at least one hour travelling time and **do not be late! The Boat will not wait for late comers.**

1. Leave Richmond by going north on Gilbert to Russ Baker Way.
2. Take the Arthur Laing bridge into Vancouver.
3. Follow signs for Marine Drive East and merge onto SW Marine Drive
4. Turn left onto Cambie Street.
5. Take the exit off of the Cambie Street Bridge toward Pacific Boulevard East.
6. Pay parking is available in the area of the Plaza of Nations Marina with Impark coin or credit card operated machines and metred parking.
