DIWALI

Happy Diwali to all who are celebrating the Festival of Lights! To our Hindu, Sikh, Jain, and interfaith families, may this joyous occasion bring brightness, peace, and renewal into your homes and hearts.

A festival of lights and one of the major festivals celebrated by Hindus, Buddhists, Jains, and Sikhs.

The festival usually lasts five days and is celebrated during the Hindu lunisolar month Kartika (between mid-October and mid-November).

Translation note: Diwali (Sanskrit: दीपावली – Deepavali) means “row of lights.” Pronounced: Dee-VAH-lee
Diwali is celebrated across many faiths with the lighting of lamps, sweets, prayers, and family gatherings.

COLTS ATHLETICS

Thank you for your support over the past two months as our fall sports season got underway and your children participated in our school teams!

As we approach the playoffs and championships for our fall sports, we are also beginning to gauge interest in our winter sports programs. Tryout dates have not yet been finalized, but any updates will be posted on the Colts Athletics [website](#), once they have been confirmed.

The website is your go-to resource for the latest athletics updates, required forms for student-athletes and volunteers (including parent drivers), team and game schedules, available sports, and coach information.
If you have any additional questions that are not addressed on the website, please feel free to email me at krlee@sd38.bc.ca.

TAKE OUR KIDS TO WORK DAY

On Wednesday, November 4 Take our Kids to Work Day (TOKTWD) is a great opportunity for grade 9 students to explore the world of work and make some connections between what they are learning in school with the knowledge, skills, and competencies they will need to be successful later in life.

All Grade 9 students are invited to join a parent or adult family friend at work on November 4. Completed permission forms were due on Monday, October 26.

NOTE: RHS Grade 9 students not participating in TOKTWD, are expected to attend their scheduled classes on this day.

All students will also be completing an [assignment](#) for TOKTWD which is part of the grade 9 Careers course. This assignment will be due on Thursday, November 5th.

COMMUNICATING STUDENT LEARNING

We are committed to ensuring that students receive regular and meaningful feedback on their progress and that parents/caregivers are informed about their child's progress.

Over the course of the school year, students and parents/caregivers can expect the following informal and formal communication and reporting to occur:

- Meet the Teacher
- Informal Learning Updates (Interim Reports)
- Written Learning Updates (Term Report Cards)
- Core Competency Self-Assessments and Goal Setting
- Parent-Teacher Conferencing
- At-Risk Interims (Alert Interims)
- Summary of Learning (Final Report Card)

Please refer to the attached document for detailed information on each of the above. Note, teachers may send an interim report, phone, or email home at other times through the year. Parents/Caregivers are welcome to contact the school at any time to communicate with a teacher about their teen's progress and all teachers' email addresses are located on the school website under School Information > Our Staff.
