World Teacher Day-October 5th

On October 5, we celebrate World Teachers' Day — an opportunity to recognize and appreciate the teachers who inspire curiosity, nurture learning, build relationships, and make a difference in the lives of students every day.

At RSS, we are fortunate to have a dedicated team of educators who bring care, creativity, expertise, and commitment to their work. Thank you to our teachers for all that you do to support our students and our school community.

The Colt Card

The Colt Card is an initiative we introduced to Richmond High last year, and we are glad to announce that we are ready to re-launch this project again this year. So, if a student has performed an act of kindness, any staff member can fill out one of our Colts Cards with that student's name to submit to a draw. Starting this month, students' names will be drawn (one from each grade), and those students will be receiving a free cafeteria lunch. Remember, the idea of the Colts Card is not to buy kindness, but to highlight the care that each of us already exhibit. The drop-off box for cards will be in the front office. Thank you, Colts, for all your efforts of being kind, caring and respectful.

Grade 9 Immunization

Vancouver Coastal Health offers in-school immunizations to protect children against serious and life-threatening infections. School clinics provide a convenient way for children to receive recommended vaccines. Immunizations are offered in grades 6 and 9 to all students, and to kindergarten students who have not already been immunized outside of school. Students in other grades may be invited for catch up immunizations based on local capacity.

Immunizations are offered following consent provided by parents/guardians. Secondary school students can also consent for their immunizations. New this year, in response to request from families, you can complete the school immunization consent form online through the [Provincial Digital E-Consent Portal](#).

MyEd Parent Portal

All families should now have access to the MyEd Parent Portal. If you are a parent new to the district, you should find an email that will have your log in information. For privacy reasons, the school will not know your password nor be able to reset it for you. For support on the use of your MyEd Parent Portal account, please [click here](#).
