Adoption Awareness Month				
Lebanese Heritage Month				

WINTER WEATHER AND SCHOOL PREPAREDNESS

As we move into the cooler, wetter months, we encourage students and families to be prepared for changing weather conditions. Please remind students to dress appropriately for the rain and colder temperatures, particularly when travelling to and from school or spending time outdoors during breaks. With darker mornings and afternoons, it is also a good time to review pedestrian and cycling safety, including wearing visible or reflective clothing and using appropriate lights. A little preparation goes a long way in helping everyone stay safe and comfortable throughout the winter months.

ATTENDANCE – BEING PRESENT MATTERS!

Regular attendance and arriving to school on time play an important role in student learning, achievement, and connection to the school community. Being present means more than simply being in the classroom; it also means having opportunities to participate, build relationships, collaborate with peers, and be part of the many experiences that make high school meaningful. We recognize that there are times when absences are unavoidable, but we encourage families to support consistent attendance and punctuality whenever possible. Every day is an opportunity to learn, connect, and grow!

GRATITUDE AND OUR COLT COMMUNITY

A strong school community is built through the everyday contributions of many people. We are grateful for the students, families, staff, and community members who help make Richmond High such a vibrant, welcoming, and caring place to learn and work. Whether it is a kind gesture, a helping hand, words of encouragement, or simply taking the time to include someone, these small actions help create a stronger sense of belonging for everyone. As we move through November, we encourage our Colts to look for opportunities to show appreciation, recognize the contributions of others, and continue to make our school community a place where everyone feels valued and connected.

GRADE 12 – GRAD 2027 REMINDERS

Monday, November 16, students will be meeting with our school counsellors and administration to review their transcripts and verify that they are on track to meet graduation requirements. This is an important step in ensuring that students understand their current credits and any outstanding requirements as they work toward graduation. We also encourage all Grade 12 students and families to regularly visit the RSS Counselling Website and the Career Facilitator webpage for comprehensive graduation information, important deadlines, postsecondary planning, scholarships, and other resources to support students as they prepare for life beyond Richmond High.

UPCOMING DATES…

- Monday, Nov. 23 — Pro-D Day (school closed)
- Tuesday, Nov. 24 — Guru Nanak Dev Sahib Birthday
